### **2018 Volunteer Program**

The Yorkville Fury Volunteer Fee Program is designed to promote the contribution of all Yorkville Fury families to improve the experience of our young athletes. For each calendar year our organization requires 4 hours of help from each family that goes toward the improvement of our players, teams, resources, and organization. Some examples of ways to earn volunteer hours are:

- Head coach or assistant coach for one of our teams (Note: all coaches must pass background check via [www.TrustedCoaches.org](http://www.TrustedCoaches.org))
- Participate in Field Day (March for spring ball & September for fall ball)
- Perform field maintenance during season (weed whack, drag field, line fields for games, etc...)
- Run a fundraiser for your team and / or the organization
- Obtain sponsorships for your team and / or the organization

At the time of submitting the deposit to secure a roster spot, families will also be asked to write a check to YAA NFP in the amount of \$100.00 with "Volunteer Program Fee" listed in memo.

Head coaches will keep track of all volunteer hours for their teams' families and once 4 hours is accumulated they will submit for a reimbursement request. Reimbursements will be made within 3 business days of the request.

The \$100 fee will be retained by the Fury organization for all families not contributing a minimum of 4 hours. This fee will be applied to the Fury organization and not to a specific team.
